EDUCATION

Computer Engineering Degree

Universidade do Minho

High School - Science and Technology

Dom Diogo de Sousa

SKILLS

- Java, C, C++, C#, Python
- HTML, CSS, Javascript
- .NET, MySql, SqlServer
- Unix, Bash, SSH
- PC diagnostic and repair
- Product Prototyping
- 3D Modeling/Printing, Laser Cut
- Microcontrolers, Soldering
- Proficient in English

INTERESTS

Tinkering, Prototyping, 3D Printing,
Building and Fixing Stuff, Travel,
Biking, Spearfishing

PROFILE

Degree in Computer Engineering Science at Minho University. I'm organized, independent and capable of learning on my own. I enjoy problem solving, algorithm development, optimization and low level programming. I'm also quite handy at fixing/managing computers/servers, be it hardware or software problems, windows or linux, virtual machines, databases, etc.

Besides working with computers I enjoy doing small projects with microcontrollers, prototyping, tinkering, electronics, laser cutting, 3D modeling/printing.

EXPERIENCE

Web Developer

QUIDBOX | BRAGA | DEC 2020 - APR 2021

Full time internship in Web Development

- Web Development in .Net Core using MVC design pattern.
- Database creation and maintenance in SQL Server.

Web/Android Developer

QUIDBOX | BRAGA | SET 2019 - FEB 2020

Full time internship

- Android App development in Java using Android Studio.
- Implementing a Node.js project using PostgreSQL and deployment on unix environment using SSH.
- Web development in .Net.
